WOOD PROTECTION PRODUCTS

## Superior protection for truck trailer flooring

BATES® Under-Seal is specially-formulated for the protection of truck trailer wood undercoating. The water-based acrylic emulsion provides superior adhesion, flexibility and protection for the undercarriage of truck trailers.

BATES Under-Seal is reinforced with mineral fillers and corrosion inhibitors creating a tough film that resists water intrusion.

- Low VOC
- Protects against water penetration
- Abrasion resistant
- Prevents warping and cupping
- Inhibits water damage
- Can be spray applied
